### SRC NEWS

One of the first activities for the SRC this year will be an Easter Egg guessing competition running on both the primary and infants campuses. Starting Monday and running all of Week 9 you will have the opportunity to guess how many eggs are in the jar. The winning guess takes home the chocolate! Your guess will cost you 50c and you are only allowed to have one guess. The competition will be running first half lunch each day. The winning guess will be announced at Easter Hat Parade.

## Easter Hat Parade

Every year the students at Grafton Public School participate in an annual Easter Hat Parade. This year the Easter Hat Parade is scheduled on the Term 1 calendar for Thursday 1st April.

All Kindergarten to Year 2 students and Support Unit classes create their headpiece at school. In order to align with the school's current SRC focus War on Waste we are looking to decorate all headwear with recyclable materials. Children are able to bring in a small zip lock bag of recycled materials or consumables that you may already have which will be used to decorate their hat. This may include pieces of foil wrap, coloured paper, clean bottle tops etc. Please understand that some classes are allergy aware and will not be able to use egg cartons. It is planned that classes will be making the headpiece in the coming weeks so please send items to their class teacher clearly labelled with their name.

Year 3-6 students are asked to create their Easter Hat at home and are challenged to follow the "recycled materials" aspect.

We will provide details in the coming weeks on how the Easter Hat Parade/s will run as we will plan the event around the latest COVID guidelines which may change again before Week 10.

### P & C EASTER RAFFLE

Chocolate! Chocolate! Chocolate! GPS P&C are holding an Easter Raffle to celebrate Easter. Your child has been sent home a raffle booklet to the total cost of \$5 (\$1 per ticket). We are asking families to please donate an Easter item (chocolates, bunnies or Easter bags). There will be lots of prizes to be won including non-chocolate prizes. These items can be dropped off at either school office. The Easter raffle will be drawn at the conclusion of our Easter Hat Parade on Thursday 1<sup>st</sup> of April.

### Some Good Mood Food

Mr Avery holding the Clarence Valley Council Sustainability Awards 'Winners' trophy won by GPS at the end of 2020. GPS has an extensive collection of activities and initiatives that focus upon sustainable practices that are helping to minimise the school's environmental footprint. Mr Avery entered the school in the awards with a detailed summary of all the initiatives conducted by and involving the students. Amazing!

Cooper Stephenson, 2020 GPS School Captain is pictured standing with his bicycle that he is donating to the Bike Mechanic Program. He has taken such good care of the bike and it is almost ready to be given to a very fortunate student who doesn't have a bike.  
Thank you Cooper!

Sunflowers for Sarcoma.  
Students Hanna, Olivia and Harrison were accompanied by Mrs Sullivan to present their wonderful artworks to the new Grafton Base Hospital Oncology Unit.

Many thanks go to Janelle and all the staff that the students encountered on their visit for taking the time to receive these gifts of goodness and show where they would be displayed.

## Attendance Matters

The NSW Department of Education recognises the importance of regular and consistent attendance in improving student academic performance and has launched a new initiative called "Attendance Matters".

Our goal at Grafton Public School is to attain 90% attendance or above for all our students. Every day counts. Missing just one day a fortnight can amount to four weeks of lost learning over a year. Over their school life, this can equal one year of missed learning. This can also have an impact on student academic, social and emotional development.

To achieve this goal the school will be introducing a new program to support students and their families. More information will be coming in future newsletters regarding this program.

### Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

**1** day per fortnight  
 = **4** weeks  = Over **1** year missed

**1** day per week  
 = **8** weeks  = Over **2.5** years missed

## School Fees

All students are being invoiced for their applicable fees and an invoice has been posted home.

All families who pay their voluntary school contribution fee in Term 1 will go in to the draw for a \$150 voucher at Lowes to help with school uniform purchases.

Payment can be made in cash, cheque, by EFTPOS at our Primary office, or online through our Parent Online Payments link on our website. If you wish to pay the invoiced fees one at a time, all at once or make a payment plan of a certain amount each fortnight that is fine. As we are all aware, COVID caused the cancellation of many of our activities in 2020. A lot of payments were refunded to families and placed "in credit" or what our system terms Fees In Advance/Unallocated Credit. This amount may be showing as a credit on your statement. This year's fees can be paid by your Unallocated Credit but it is not an automatic process. Please advise the office if you wish to use your credit amount.

Major excursions are not included on the current statements as these will be invoiced once an attendance list is finalised. If you are intending for your child to attend one (or more) of these major excursions and wish to start budgeting and paying it off now, this is not a problem and is strongly encouraged. All excursions must be paid in full at least a fortnight prior to departure or the student may not be allowed to attend. If a family is experiencing financial difficulty, it is important that you speak to us early as the above prepaid rule will be strictly adhered to. Please speak to Miss Karen in the office.

Due to the Easter school holiday break, there will no P & C meeting in April.  
The next P & C meeting will be on Tuesday the 11th of May at 6.30pm in our library.  
All welcome, please come along!

## Mosquitoes

Due to the recent weather conditions, we have had a greater amount of mosquitoes causing a bit of havoc in the playground. It may be helpful to pop some insect repellent on your children before heading off to school while ever this wet weather continues. Thank you!

## Tell Them From Me Student Survey

We are delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices. More information about the survey is available at: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me.html>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

We want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 20-30 minutes to complete. Students will complete the survey during school hours between 23 March and 1 April. Participating in the survey is entirely voluntary.

A consent form and information for parents/carers about the survey is being sent home with students next week. If you **do not** want your child or children to participate, please return the form to school ASAP. Copies of the form and FAQs are available from: <https://education.nsw.gov.au/student-wellbeing/tell-them-from-me/information-for-parents-and-carers>

The consent form and FAQs are available in 23 languages. Thank you.

### Little reminders...

Our **canteen** on both campuses will no longer be open on Mondays and Tuesdays.

Tuckshop for the infants campus will now be on Wednesdays.

**School Banking**—A fun, interactive and engaging way to develop good savings habits. Don't forget our school banking day is **Tuesday**. Each week, bank books need to be handed to the classroom teachers for collection and they will be returned at the end of the day.
