Relieving Principal's Report

Dear Parents and Carers,

The past two weeks have been a whirlwind of amazing events, bringing an incredible year to a close. I want to take this moment to thank our wonderful school community for your unwavering support throughout the year. To the families who are moving on, we wish you the very best and thank you for being an integral part of the GPS family. You will be greatly missed!

Our Presentation Day, held at the Saraton Theatre, was a fantastic occasion to celebrate the achievements of our students. Whether or not you received an award, I am immensely proud of each and every one of you for your growth, improvement, and maturity this year. On the day, I had the honour of announcing our 2025 student leaders: Fred and Elliana as Captains, Henry and Alina as Vice Captains, and Carson, Arabella, Violet, Vivienne, Matilda and Laurie as Prefects. A heartfelt thank you to our 2024 leaders— Dominik, Zoe, Jacob, Lily, Tay, Harrison, Lincoln, Maddison, Zoe and Archer— for your outstanding leadership and representation of our school throughout the year.

On Friday, families received their child's semester reports, providing a detailed overview of their progress and achievements. These reports are designed to help families understand their child's learning journey and provide guidance for future growth.

Last night, Year 6 celebrated their 7 years of primary schooling with the annual Year 6 Farewell in our newly refurbished hall! It was a night filled with joy, laughter, and plenty of dancing! A huge thank you to Miss Karen, Mr Craythorn, Mr Stanford and his team who contributed to making this event such a memorable occasion.

On Friday, our lower field buzzed with excitement during the annual Student vs. Teacher soccer match. Both teams brought their best game in this fiercely contested match, with the teachers emerging victorious with a 2-0 win. Well played to all, and better luck next year, students!

As we wrap up the year, I want to extend my deepest gratitude to our exceptional teaching staff, SLSOs, SASS staff, and GA. Your passion, teamwork, and commitment to our students and their families are nothing short of inspiring. I see the countless hours you dedicate and the care you pour into making GPS a supportive and thriving learning environment.

Thank you all for an amazing year. Stay safe, enjoy the holidays, and we look forward to welcoming you back in 2025!

Thanks,
Nick Campbell
Relieving Principal

2025 School Supplies

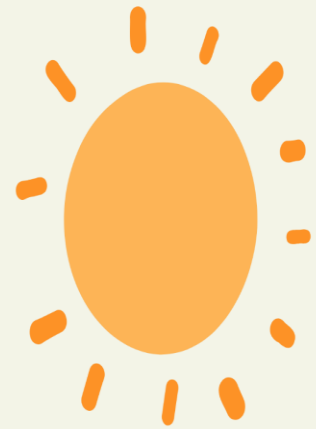

In the past Grafton PS has put out a list of optional items that families could supply for the start of the school year.

For next year in 2025, we are not requesting that any equipment be sent in; however, you may like to provide a special library bag for borrowing and a pair of headphones (not Bluetooth) for use with technology in the classroom.

Years 3-6 may also like to bring their own small pencil case.

Selective High School Applications

Selective High Schools are for students in Years 7 to 12. Grafton High School is a Selective High School. You may apply to have your child considered for this class.

Applications open on 7/11/2024 and close on 21/2/2025. These dates are very strict and no late applications will be accepted under any circumstances.

Parents apply when their child is at the end of Year 5 or the beginning of Year 6 for placement in a selective high school in Year 7. The students will sit a placement test in Term 2 of Year 6.

Additional information can be found here:

COMMUNITY NOTICES

Whooping Cough

1 IDENTIFY

Anyone can get whooping cough but it can be deadly for babies

- Babies and young children can stop breathing or develop severe coughing bouts that end with vomiting or gasping for breath.
- People of all ages can get whooping cough and can spread it to babies.
- Adults often just have a mild cough that lingers.

2 PROTECT

Immunise your baby on time to get the best protection

- Pregnant women should get vaccinated in the third trimester (preferably at 28 weeks).
- Get your baby vaccinated on time at 6 weeks, 4 months and 6 months of age.
- Booster vaccines for children and adults stop whooping cough spreading.

3 PREVENT

Whooping cough spreads quickly when people cough in the early stages of the infection

- If you have symptoms, see a doctor fast and get tested.
- Stay home until you are no longer infectious. Ask your doctor when it's safe to return to work, school or childcare.
- Keep anyone with a cough away from your newborn especially until your baby has had 3 whooping cough vaccines.
