

**GRAFTON PUBLIC SCHOOL
AGREEMENT FORM
CONCERT BAND 2018**

Membership of the Concert Band is dependent on the following:

1. The member can cope with the instrument, possesses basic music skills and a real desire to learn, and agrees to practise regularly.
2. Any member who hires an instrument from the school will care for the instrument and case, and will return to the school when requested to do so. Care may entail regular cleaning use of cork/grease, cleaning of valves etc., depending on the instrument hired. Clarinets and saxophones require the regular purchase of reeds.
3. **All band members are required to pay a non-refundable band levy of \$75.00 per year. Those hiring school instruments will be charged a \$50 instrument hire levy per year (i.e. total \$125.00). The instrument hire levy fee for drums will be \$25.00 (i.e. total \$100.00). Please note: hire of an instrument through the school equates to approximately \$1.25 each week.**
4. Music issued by the school will be kept neat and clean in a plastic leafed folder and returned upon request.
5. The member will undertake to enrol in music lessons at school by an approved music tutor. All accounts for tutoring will be organised through the Clarence Valley Conservatorium, and it is understood that the member's phone number and address will be forwarded to the Clarence Valley Conservatorium.
6. **Group music lessons in flute, clarinet, saxophone, drums, trumpet, trombone and bass guitar can be undertaken at a cost of \$13.50 per lesson (price is subject to change in 2018) and a one off registration fee of \$25.00 payable to the Clarence Valley Conservatorium.**
7. The member agrees to participate in music performances, rehearsals and other engagements some of which may be out of school hours.
